

PARENTS' THOUGHTS ABOUT THE INSTITUTE

"I learned things I never knew before. It was, in my opinion, a very good experience. These are all people (to whom) I will always be grateful for the way they treated me and my children. I believe a lot of good things will stay with us and we learned a lot to be able to help our children in the future."

.....
"This was a wonderful and absolutely overwhelming experience. I have learned so much about deafness while here at ISD and have a new appreciation for the deaf."

.....
"Very well worth our time. Like others I wasn't sure what to expect but I can tell you it exceeded my expectations. All parents of deaf or hard of hearing children should attend."

.....
This week was great, helpful and educational in so many ways. It was wonderful that this week is available!"
