2102 W. Ogden Avenue
Chicago, Illinois 60612

Greetings:

The Mayor's Office for People with Disabilities is gearing up for our signature, biennial *AccessChicago*, which will be held Thursday, July 19th at Navy Pier, Festival Hall B from 10am-4pm. *AccessChicago* promises to be the largest gathering of services and products for people with disabilities in the Midwest.

Enclosed you will find 50 Save-the-Date cards for your reception area and/or to hand out directly. This will be our first drop-off. Our next drop off will occur in June where we will send you about 50 flyers as well.

We believe that this event will provide a host of invaluable information for the constituents in your community.

MOPD greatly appreciates your continued support in sharing in our outreach efforts to get the word out about *AccessChicago*!

If you or your staff has questions about *AccessChicago*, please feel free to visit www.cityofchicago.org/disabilities or contact Program Director, Jose Avalos at 312-746-5756 or jose.avalos@cityofchicago.org

Sincerely,
Mayor's Office for People with Disabilities (MOPD)
